Sea make merriment, new business being in moss blanc-mange is not only delitroduced constantly. Marion Manola, Annie Myers and John Raffael sing their nusic beautifully, and in fact the entire company is to be commended for their untiring efforts to please.

SUMMER CORRESPONDENCE.

NO-FRET COTTAGE. NOYES' BEACH, WESTERLY, R. I., AUGUST 7, 1888.

On the very edge of the Atlantic, in hammock swung on a broad piazza of a cottage dedicated to peace, comfort and "no fret," sits your correspondent. A fountain pen is in her of the best quality to make at least a fingers, a portfolio in her lap, but dozen two quart moulds. I will give the fascinations of the sea are weightier than the attractions of the pen, though the last are alluring enough. The great, green, foam-crested billows roll in three at a time, and break, with thunderous reverberation upon the rock-bound coast. There is a stiff breeze from the southwest. Twenty miles to the left Block Island's sandhills loom up picturesquely, while far to the right I can just discern Montauk lighthouse, and a shadowy, zigzag outline of the Long Island coast. Between these two points there is nothing but the everlasting sea. The air is loaded with ozone, and more invigorating than words can describe. One feels buoyed up to new endeavor, brighter, younger. Like a dream seems the noise and strife of the city. Even the last shopping excursions, with the thermometer at 88 degrees, and the perspiring ordeal of trunk-Miss Linux Jackson, (colored) a wel! the 14th inst. Hon.
